Dear Market Vendor;

We at the Crete Area Chamber of Commerce, work diligently to help our community grow and local vendors like you thrive! Whether or not you are a current or prospective vendor business owner, the Chamber would like to invite you to become a member of our growing business organization. The Chamber has made good strides this year in promoting its member businesses and forming a collective voice in the region. The Chamber’s mission is to enthusiastically and aggressively improve the business climate in the Crete region through community involvement, and through business promotion and activity support. Chamber priorities for the coming year include fine-tuning operations, advances in communication and higher visibility for the Chamber and its members.

In addition, all vendor members become preferred vendors for all Crete Area Chamber of Commerce events. With your membership, you get a variety of resources and fun events to participate in.
